I have included all the parts I can locate.

I have kept the following parts as they do not need restoration: \_\_\_\_\_

\_\_\_\_\_

I would like to have the fixtures completely restored (leak free and re-plated or polished)

Nickel  Chrome  Brushed Nickel  Brushed Chrome  Polished Brass  Coated Brass

I do not want the finish restored (appearance doesn't matter), just fix the leaks.

Just clean and replate. Valves don't have to work as I am using them for a museum or prop.
